

# CORNER SPEED RIDERSCHOOL

**For Street Riders • Sport Enthusiasts • New Racers**

**RIDE THE SAME COURSE AS THE AMA-PRO'S: THE NORTH COURSE**

**Improve Your Skills • Learn How To Be A Better, Faster Rider**

Always wanted to ride on a racetrack? Improve your riding skills? Possibly go racing? Here's your chance with Cornerspeed. We're not just for aspiring racers. We're here for the street rider too. You don't have to intend on racing to attend our school. The knowledge you gain with Cornerspeed will make you a better rider on the street. Many graduates go on to race but our school also enables you to receive a diploma that gets you on track at other track days. Once you've gotten down the basics, you can come back again and again to ride in the safest environment possible. This is where you can hone your skills and go fast with the least amount of danger. Remember, public highways are not the places to learn how to ride fast. Listed at the bottom are the minimum requirements you need to get on track. Valuable feedback, one-on-one instruction and classroom discussion fills your day. Space is limited.

**Reserve your space today.**

PLEASE NOTE: ONCE THE CLASS FILLS, REGISTRATION WILL BE CLOSED.
